UNITED STATES OF AMERICA,	)	CASE NO. MJ 09-023
Plaintiff,	)	
v.	)	DETENTION ORDER
ALEJANDRO CISNEROS-MEDINA,	)	
Defendant.	)	

---

13  
14                   Offense charged:

15                   Conspiracy to Distribute Controlled Substances

16                   Date of Detention Hearing: Initial Appearance, January 28, 2009

17                   The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and  
18 based upon the factual findings and statement of reasons for detention hereafter set forth, finds  
19 that no condition or combination of conditions which defendant can meet will reasonably assure  
20 the appearance of defendant as required and the safety of other persons and the community.

21                   FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

22                   (1)     Defendant is reportedly a citizen of Mexico.

01                   (2)     The United States alleges that his presence in this country is illegal. There is an  
02 immigration detainer pending against him. The issue of detention in this case is therefore  
03 essentially moot, as the defendant would be released to immigration custody if not detained in this  
04 case.

05                   (3)     Defendant and his counsel offer no opposition to the entry of an order of detention.

06                   (4)     Upon advice of counsel, defendant declined to be interviewed by Pretrial Services.  
07 Therefore, there is limited information available about him.

08                   (5)     There does not appear to be any condition or combination of conditions that will  
09 reasonably assure the defendant's appearance at future Court hearings while addressing the danger  
10 to other persons or the community.

11 It is therefore ORDERED:

12                   (1)     Defendant shall be detained pending trial and committed to the custody of the  
13                         Attorney General for confinement in a correction facility separate, to the extent  
14                         practicable, from persons awaiting or serving sentences or being held in custody  
15                         pending appeal;

16                   (2)     Defendant shall be afforded reasonable opportunity for private consultation with  
17                         counsel;

18                   (3)     On order of a court of the United States or on request of an attorney for the  
19                         Government, the person in charge of the corrections facility in which defendant is  
20                         confined shall deliver the defendant to a United States Marshal for the purpose of  
21                         an appearance in connection with a court proceeding; and

22                   ///

(4) The clerk shall direct copies of this Order to counsel for the United States, to counsel for the defendant, to the United States Marshal, and to the United States Pretrial Services Officer.

DATED this 28th day of January, 2009.
